TOTAL:	— 5987

Self sufficiency in Oilseeds

*738. SHRI S.K.T. RAMACHANDRAN:
SHRI SANJAY DALMIA:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether the country has achieved self sufficiency in oilseeds;

(b) if so, the total production of oilseeds during 1993-94 and the estimated production during 1994-95; and

(c) the special measures taken by Government to achieve the self sufficiency in oilseeds and to maintain this increasing trend of production?

THE MINISTER OF AGRICULTURE (SHRI BALRAM JAKHAR): (a) Government of India aims at achievement of self-sufficiency in oilseeds by the year 2000 AD for which a target of 26 million tonnes has been set. Although India still imports some quantity of edible oil, income generated from export from the edible oil sector has been higher than import continuously since 1989-90.

(b) The total production of oilseeds during 1993-94 was 21.48 million tonnes and estimated production for 1994-95 is 22.35 million tonnes.

(c) To increase the production of oilseeds the Government has sanctioned a Centrally Sponsored Oilseeds Production Programme (OPP) which is under implementation in 22 States covering 331 districts. The assistance under OPP is provided for production and distribution of seeds, distribution of improved farm implements, sprinkler sets, rhyzobium culture, gypsum/pyrites etc. In addition, to demonstrate the technology to the farmers, frontline demonstrations are conducted through ICAR. A Centrally Sponsored Oil Palm Development Programme has also been taken up with a view to cover 80,000 hectares under this crop during the current plan period.

Per Capita Milk Production

*739. SHRI RAM RATAN RAM:
DR. SHRIKANT RAMCHANDRA JICHKAR:

Will the Minister of AGRICULTURE be pleased to state:

(a) what was the per capita milk production in 1990-91 and 1994-95 and what was the actual production in these years;

(b) the long term strategy for increasing milk production in the country; and

(c) the demand for milk in the cocuntry together with its total annual production?

THE MINISTER OF AGRICULTURE (SHRI BALRAM JAKHAR): (a) The actual and per capita milk production during 1990-91 and 1994-95 was as under:—

Year	Actual milk production (in million tonnes)	Per capita milk production (gms/head/day)
1990-91	53.9	176
1994-95 (Provisional)	63.1	191

(b) Besides various State Schemes for the development of cattle and buffalo, some Central Sector/Centrally Sponsored Schemes in the areas of genetic improvements, feed and fodder and health cover are being implemented for enhancement of milk production.

(c) As per the nutritional requirement of 220 grams per head per day the total requirement of milk during 1994-95 was 73.9 million tonnes as against the estimated milk production of 63.1 (provisional) million tonnes.

Setting up of Plastic technology training and service centres

*740. MAULANA OBAIDULLAH KHAN AZMI:
SHRI SANJAY DALMIA:

Will the Minister of CHEMICALS & FERTILIZERS be pleased to state:

(a) whether Government propose to set up plastic technology training and service centres in Uttar Pradesh;

(b) if so, the locations thereof; and

(c) the time by which these centres are likely to be set up?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI RAM LAKHAN SINGH YADAV): (a) to (c) The Central Institute of Plastic Engineering & Technology (CIPET), an organisation under the Ministry of Chemicals and Fertilizers (Department of Chemicals & Petro-chemicals) was established in 1968 at Madras with the basic objective of imparting training in the field of mould making, mould designing, testing and characterization of plastics, plastic processing, plastic engineering, etc. besides rendering technical services to plastics industry. Keeping in view the growing needs of plastic industries all over the country, the centres of CIPET (including a training centre at Patna and a service centre at Goa) were established at different places over a period of time. One of the centres of CIPET is located at Lucknow in Uttar Pradesh. As the existing centre at Lucknow is looking after the requirement of the Plastic and its allied industries in U.P., there is presently no proposal to set up any additional centre of CIPET in U.P.

Financial assistance to madhya Pradesh for Agrcultural Loans

7403. SHRI DILIP SINGH JUDEV: Will the Minister of AGRICULTURE be pleased to state:

(a) the amount of financial assistance given to madhya Pradesh for providning agriculture loans to farmers during 1991-92, 1992-93 and 1993-94 district-wise; and

(b) the details of assistance proposed to be provided for this purpose during the remaining period of the Eighth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) Central Government was providing short-term loans to State Governments for Kharif and Rabi seasons separately every year till Kharif 1993 to help them purchase agricultural inputs namely fertilisers, seeds and pesticides and make them available to farmers in time. These loans were given to State Governments and no district-wise allocations were made.
